Tracy Avenue Reconstruction Project

Dear Resident:

Stage 1 and 2

The contractor will continue constructing the retaining walls and restoration activities next week. They will pave the final layer of bituminous pavement on Oct. 24. We are nearing completion of this project and reopening of Tracy Avenue. Thank you for your patience.

Access to Colonial Way

Residents and visitors of The Waters and Colonial Church are encouraged to utilize the posted detour and accessing Colonial Way via Olinger Boulevard or Olinger Road, instead of driving through the project area. This will help ensure the safety of workers as well as the travelling public.

Detour

A posted detour will be in place to route through traffic around the construction area and use Highway 62, Gleason Road and Vernon Avenue. The contractor will maintain local access as much as possible. There may be times when certain segments of the roadway are impassable.

Communications

- Have questions or comments regarding this project? Call me at 763-287-7149 or aplowman@wsbeng.com or project inspector Kevin Overby at 612-360-1308.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/tracyavenue.

Safety

Safety is our number one concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

911 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
